

**Griffin Centre promotes positive change for vulnerable youth and adults with mental health challenges and/or developmental disabilities and their families. We are dedicated to delivering innovative services and developing creative partnerships that enhance lives and communities.**

Griffin Centre is an accredited, non-profit, charitable, multi-service, mental health agency providing flexible and accessible services to youth, adults and their families.

We offer a range of professional services including; assessment, service coordination and planning, individual, family and group counselling, specialized day/residential services and respite services.

We are committed to fostering positive change and a culture of respect, acceptance and safety for youth and adults with challenging needs so that they have a place to belong, and opportunities to build skills, confidence and connections to make the transition to a satisfying life.

We work in partnership with other organizations to assist or support individuals whose needs exceed the capacity of the service system.

We help over 1000 people each year to recognize their strengths, achieve their goals and improve their lives.

We are committed to integrity and accountability in all aspects of our work.

Our strength is our staff and our diversity.

We nurture continuous learning, encourage leadership and value the contribution of staff, volunteers and supporters.

Griffin Centre provides consultation services for organizations outside the Centre's catchment area, trying to meet the needs of individuals with a dual diagnosis (i.e., program design and review, individual client assessment). Available on a fee for service basis.

### Who can access?

Agencies, individuals, families, schools and hospitals.

### How can we help?

Griffin Centre is often asked to provide consultation regarding complex service situations or program design and implementation by a range of service providers. We have developed a small but growing fee-for-service capability to respond to these requests. Currently we offer the following services:

### Training and Education:

- For organizations working with individuals with a developmental disability or mental health concern.

### Clinical Services:

- Specialized assessment and treatment services
- Individual, family and group counselling
- Sexual offending risk needs assessment
- School-based youth services and supports
- Dual diagnosis
- Youth drug and alcohol use/mental health service provision
- Youth sexual assault harm reduction service provision

### Consultation:

- Organizational change processes
- Building sustainable community networks and partnerships
- Education/school-based service delivery consultation
